VOTE

TUESDAY APRIL 1ST

Polls are open 7am to 8pm
All 15th district residents vote at
FOREST PARK SCHOOL
6810 45th Ave
You can register at the polls.

VOTE MICHAEL ORTH FOR ALDERMAN

I believe, like Abraham Lincoln, in "government of the people, by the people, for the people". As alderman I will serve as the people's link to city government. Residents of the 15th district have been frustrated by a lack of service: not having phone calls returned, emails going unanswered, and information requests languishing. I believe I can do better. I will represent the 15th district at council meetings, starting with making my attendance a priority. Since the April 2006 election our alderman has missed 40% of city council meetings! Kenosha deserves better.

As a teacher I know the importance of doing one's homework. I commit to working hard, focusing on issues brought before the city council to solve problems, all while being fiscally responsible to the taxpayers. Being an alderman is a part-time job; I believe it requires full-time commitment.

I ask for your support on April 1st.
